PRESIDENT

Hi everyone

As I come to the end of my three-year term as President, this will be my last President's Notes in Snappets.

I would like to extend a huge thank you to all the people who have supported me and the club over the last three years. The committee members, the coaches, the support staff and everyone who has helped with a sausage sizzle or helped run a swim meet. Thank you.

And an extra thank you to all the committee members who took over my responsibilities while I was sick. Thank you.

This is a wonderful club, filled with wonderful people and it's been my pleasure to be the President for the last three years.

Have a very Happy Christmas and look forward to a great New Year. Stay safe, drive safe and we will see you in the pool in the New Year.

Peter

EVENT WRAP UP – Mandurah Masters LLCC – 28th November 2021

by Pamela

It was a good to be alive day. The weather was sunny, the drive pleasant. Sara and Brett were driven down by Pamela. It was a well won meet and the lunch afterwards was excellent. Pamela was given a bottle of wine for being an official on the day. She doesn't drink so her husband was the grateful beneficiary. Pamela then proceeded to win 3 raffle prizes which included some more wine. Both Pamela and Graeme were very happy with the days forthcoming.

Sara also won a raffle prize and chose an unassembled but very large, lime green, wooden chair for her patio. They needed to borrow a trolley from the aquatic centre to get all their winnings to the car. They managed to get everything into the car without needing to attach Brett to the roof for the homeward journey!

SOCIAL SNAPPERS CORNER by Marg W

Congratulations to our hardy group of social swimmers who persisted throughout the winter. Through the frustrating four month closure of Claremont pool, through health issues, through a long wet winter, and any other unplanned disruptions! We all benefitted from participation, and summer is looking pretty good already

To finish the year, there will be an after-swim Christmas celebration on Monday 20th at the Tee Box cafe. And the same arranged for the Bold Park group on Thursday 9th December at the Mary Street Bakery, Empire Village Shopping Centre.

The membership fees remain at \$35 for 2022 and are now due - either by cash or bank transfer to the club.

EVENT WRAP UP – STADIUM MASTERS XMAS PARTY – Sat 4th December

On the 4th December our annual Christmas party was held at the UWA Hockey Club. The venue was lovely and Pamela had even bought along a Christmas tree for the event – it was covered in the award rosettes that she then went on to present to members. There were about 50 members who attended the sundowner, everyone followed instructions and wore their best Christmas red, white and green colours.....Pamela and her sisters made the award rosettes, each with a picture of what the award represented. Here is a list of the awards that Pamela, as Club Captain, saw fit to award:

Coaches awards – We are very appreciative of our coaches - Bill, Barry, Mark, Anne and Tricia and Joy who is in the process of becoming a coach so they received a rosette with a coach and Joy got a 'coach in waiting'

Marshalling team - are very good at their job. They are a Supreme team so they had a picture of the Supremes on their rosette. Recipients of these awards were Mark, Helen, Robyn Wilson, Janette, Judith, Elizabeth, Peter D, Peter Jones and Tricia.

Other volunteers – had 'hands' on their rosettes as many hands make light work. Anne, Phyll, Tania G and Dale. Also our announcers – Tom Brown, Bill and Barry had rosettes with 'Hands plus a megaphone'. Our Safety Officers – Anna and Tania S had rosettes with 'Hands plus a red cross'. Our

timekeepers – (this also includes people who came to our club swims specifically to timekeep) were Jil, Jenny, Marilyn and Rob, Marg Watson, Pam Cann got rosettes with 'stop watches' on them and Tricia was Chief time keeper at our club swims so she got a stop watch with a 'Chiefs hat on top'.

Mark – agreed to swim the BU25 so we could make up a Men's medley relay team. He didn't take a single breath for the whole 25. Afterwards he said if he had raised his head to take a breath he wouldn't have made it. The things we do for the club!!!

Bill - At the Groper's relay the announcer broadcasted that Bill was "Going like the clappers." The same announcer said that one of our swimmers "Had white line fever" White line fever is an Australian term to describe the radical change in a person's behaviour when they start playing sports, aka stepping over the 'white line'. The radical change can result in a normally mild-mannered individual, becoming extremely competitive but once the game is over they go back to their usual mild mannered self.

Committee - The club wouldn't function without the committee – Peter – president - Abraham Lincoln, Barry –secretary and very busy – so his rosette has many arms, Tania - Gets 2 rosettes – 1 for editor and 2 social media - Great following

Bill and Mark – general members. Bill also submits our e1000 times onto the portal Dale – treasurer – pot of money, and Pamela – captain – skipper.

Marg Smithson – is our social organiser so got the 'caterer's' rosette. Sue Woodward – is our Uniform organiser – so got 'men in uniform'. Marg Watson – liaises with the social members so got a rosette with 'a definition of what liaising is'!

Our newest members got a tadpole –

Sue W - who needed oxygen after her first session – her rosette is with a 'tadpole wearing an oxygen mask'.

Brigitte – has a rosette with a 'tadpole is hiking in the Swiss alps'

Csillar - keeps track of the length she swims by counting rubber bands

Joe – is a 2nd claim member but has swum as a snapper at our LLCC. He got a 'tadpole with 2 hats'

Audrey – received a 'Poppy' as she loves her garden and has a military interest

Cas – looks after a section of native bush near her house.

Merilyn – gets a 'William Power' rosette

Sara – fashion statement – ‘socks’ on her rosette

Both Dee and Louise are our pin-up girls. Dee being on the MSWA website and Louise being on our banner.

Pat – learning to dive

Craig – elsewhere for half the year in Broome so gets camel along the beach.

Carmen – 2nd claim member but wearing a Snapper’s swimming cap

Hazel – Is our oldest member. She had her Appendix removed in Feb. The surgeon commented that it was the oldest appendix he’d ever removed.

Jill had an accident on her bike which put her out of the water. Maybe she should get rid of the bike?!

Deb – Good at BR, BA and FR and has started to add BU to her mix.

Phyll – lined up ready to be our first swimmer still wearing her silver and black posh sandals.

Kim – was our butterfly star.

Laura – star at all strokes but has other commitments

Barb – Barry said her freestyle looked like a snowplough. Jet propelled!

*From the Constitution rule 34: "At the Annual General Meeting, the Association must decide by resolution the number of ordinary committee members (if any) to hold office the next year. From the Constitution rule 27: "The committee members consist of – a) the office holders of the Association, b) at least one ordinary member.

Explanation of Item 9 (Ordinary) Resolution*

"That Pamela Walter be declared an Honorary Life Member of the club."

A nomination from a club member to this effect was received by the Management Committee which, at its meeting on 8/12/21 unanimously approved the nomination." Text supporting this nomination is; Pamela Walter is a current member of the club to which she has made outstanding contributions. Since joining the club in 1994 she has swum competitively with distinction both in open water and pool events, served over a considerable period of time on the management committee (president 2006-2007, vice president, recorder 1995-2012, social convenor, uniform organiser and captain – 2015 to the present), and helped organise social events. Her service has greatly exceeded normal expectations and represents an extended time commitment to the club.

Pamela has also made significant contributions to Masters Swimming Western Australia (MSWA) qualifying as timekeeper, chief timekeeper, starter, inspector of turns, and judge of strokes. She has also qualified as event and meet referee. Pamela was awarded Female Official Rookie of the Year in 2007 by the MSWA, and the State and then National Official of the Year in 2017. She has rostered officials for all MSWA pool meets since about 2016 and was awarded a 5-year MSWA service trophy in 2020.

Her record fully satisfies the criteria for declaration as a club honorary life member, as set out in the club ByLaws.

EVENT WRAP-UP – FREMANTLE PORT SWIM THRU

The Fremantle Port Swim Thru took place last Saturday 11 December at South Beach Fremantle. It was sold out with over 500 swimmers. Open water swimming in WA is going from strength to strength and in fact, the next two swims in the Series are sold out already.

Anna Clare and Pamela took part in this event. It was overcast in the morning, and there was even had a speck of rain on the way there. It brightened up while we were waiting on the beach for the briefing. The water was a bit choppy but there were no stingers. Pamela swam so far off course several times that she was directed by three different paddlers to get back on course and that was even before the second turning buoy half way round! She reckons she swam an extra 200m! Here are the results of the swim:

Date	Name	Age Group	Distance	Time	Pos. in Age Cat.
11/12/21	Anna Clare	45-49	1600	35:43.97	6 th
