November 2022

PRESIDENT

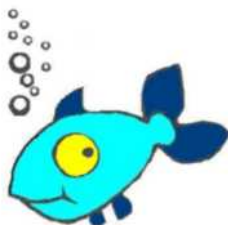

Hi everyone,

In October we held 2 very successful events – our Bunnings Sizzle where we raised over \$1,250 and our ABC CC which attracted over 120 entries and resulted in some excellent performances by several of our newer members. Of course these events would not be possible without your support in undertaking the many jobs that need to be done – so thank you for your help.

So what's on next? First up, on Saturday evening 3rd December we have our end of year get together on the deck at the Wembley Hotel. This will be a good opportunity for all our members to meet socially - so please come along. Then, Sunday 18th December will be our last formal pool training session for the year before we restart on Sunday 8th January. Not long after that we will hold our AGM on Saturday 21st January at the Bold Park pool and it would be great to see and hear from as many members as possible.

Lastly, please note that MSA / MSWA have adopted a new membership platform (Swim Central) and the procedure for renewals is a little different from previous years. If you run into any problems, please don't hesitate in asking for some help. In the meanwhile, keep swimming downhill, cheers Mark.

EVENT WRAP UP – BUNNINGS SAUSAGE SIZZLE – SAT 1st OCT

LESS IS MORE!

A big shout out to all those that helped at our Sizzling event yesterday ensuring that it was such a huge success - thank you all very much.

The numbers are in and we made a profit of \$1,253 which is about \$300 up on the previous 2 years, despite selling about 50 less sausages! This is mostly due to the new Bunnings pricing of \$3.50 for a sausage in a roll - so inflation has worked in our favour.

Well done team, you have a year to recover now, cheers, Mark

EVENT WRAP-UP – STADIUM MASTERS 30TH CELEBRATIONS

By Phyll and Barry (9/10/22)

HAPPY BIRTHDAY TO US!

What a celebration!

This year the club turned 30 years old. Normally, this would have been celebrated at a sit-down lunch in June or July but this year this could not be held.

On Thursday afternoon 6th October, a special “Arvo Tea” was held. It was attended by 23 persons, mainly our social club members who gathered at Regent Park, Mount Claremont and enjoyed an afternoon tea with a 30th birthday cake. On this occasion membership certificates were presented by Club Captain, Pamela Walter.

Awards for 2021 (for some reason not presented then)

15 years - Elizabeth Edmondson

20 years - William Curtis

Awards for 2022

5 years - Geoff Hadley

15 years - Richard Diggins and Barry Green

20 years - Cas Brown

25 years - Margaret Somes

30 years - Hazel Christie (who is the club’s first 30-year member)

Lynda Joachim, the Club’s first president and the Club’s first Honorary Life Member, was unable to be present, though sent some words for Hazel. Later in the afternoon Lynda phoned Hazel from Queensland. Glad McGough was the founding member’s first coach and instrumental in helping to get the Club started.

Our Club Social organizer Margaret Smithson, ably supported by Margaret Watson, Pamela Walter and Phyll Tiller, ensured that everyone had something to drink and eat.

On Wednesday 5th October, before the Wednesday morning training session, 5-year membership certificates were also presented by President, Mark Anderson, to Craig Barnard, Tania Gregg, and Brett Jago.

EVENT WRAP-UP – STADIUM MASTERS HOSTED ABC CC – SUN 23RD OCTOBER

Extracts from a report by Peter Lyster, Meet Director

Once again we held a super successful event. We had 121 entrants and of these, 113 actually swam. We had one swimmer from Melbourne and twenty one clubs participated.

We had a great team of volunteers and rightly deserved the title of The Magnificent Marshalling Team. Most were available on the day and were allocated to their regular jobs. On Saturday afternoon prior to the meet, Pamela, Phyll, Barry and I went to the pool to check on the setup. On the day, as well as our magnificent helpers, we had a Stadium employee operating the Quantum computer in the timing room and the MM side was operated by Anne Edmondson and Richard Johnson. It worked really well and we had no timing problems. Our volunteers did a great job keeping the Meet running very smoothly and it finished on time at 11.50am. Everyone then went over to the UWA Hockey Club rooms for refreshments, raffle and the results.

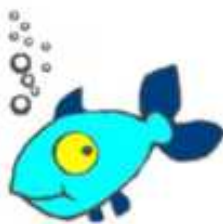

Marg Smithson and her team had prepared a great spread which was really appreciated. Bill had bought in sandwiches and wraps from Costco and the members had provided lots of fruit and cakes.

The raffle was very successful with very well-presented baskets of goodies. The Stadium also presented some tickets for the raffle. It raised \$476.

Helen Bird set new State records in the 200m IM and the 50m Free and Pauline Wingate equalled her own record in the 200m Breast. Mandurah broke the State and the National records in the Woman's 320 relay in a time of 3:16.42, a fantastic performance.

The Club Challenge was won by Superfins, Stadium Masters came second and Mandurah Masters were third, just one point behind us. The Handicap award was won by Perth City.

Note from Ed: Thanks to Peter Lyster for organising a great swim meet, thanks to all volunteers, helpers, timers and swimmers.

SOCIAL CLUB CORNER

By Marg W

It's good to see the return of sunny and warmer weather. This is evident with the blue 'sails' that provide shade to the lawns; the ducklings have fledged; and the school swimming lessons have started.

Congratulations to the hardy group of 7 or 8 who persisted over winter - and to the 4 or 5 others who joined them for coffee-n-chat at the Tee Box afterwards. It really helps to swim with a group. And the benefits are mighty.

Due mainly to health and transport problems, swimming was difficult over the winter months for those who go to Bold Park. The Friday coffee get-togethers were popular but spasmodic. With the warmer weather this may change. So stay tuned...

The 30th Birthday "Special 'Arvo Tea" organised by the club to present Hazel with her 30 year membership certificate was highly successful. It was enjoyed immensely by the 28 who attended and the Committee is to be congratulated. Others to receive certificates were - 25 years, Marg Somes. 15 years, Richard Diggans. 5 years, Geoff Hadley.

Elizabeth Edmondson did a superb job of selling raffle tickets at the recent interclub - brought in just under \$500. Stuart Gray scoured the Op shops seeking hamper baskets! All efforts much appreciated by the club.

Until next bulletin, remember "Buddy swimming is Best"Marg W

EVENT WRAP-UP – MANDURAH ABC CC – SUN 20TH NOVEMBER

The final pool meet of the year was held in the short course pool at the Mandurah Aquatic and Recreation Centre and hosted by Mandurah Masters. There was a big contingent of Mandurah Masters swimmers and also a large number of swimmers from Rockingham Masters. The weather was chilly to start but warmed up into a beautiful and sunny day. Stadium Masters had 7 swimmers who participated and did very well at the end of the day coming 3rd place, behind Mandurah Masters 1st and Rockingham Masters 2nd. Claremont Masters took away the Handicap Trophy. Our swimmers did some good times and a few PBs with the Club Captain Pamela coming away with a state record in her 50m Butterfly swim with a time of 54.07. Well done Pamela!! Afterwards the host club turned on a magnificent spread of food for the ravenous swimmers.

This is why we swim:
