Endurance Star Awards were inaugurated in 2000 to encourage more Club members to participate in and benefit from endurance swims, even though they may not be proficient in all strokes. A One Star Endurance Award is given to anyone who completes the 14 swims in the Vorgee Endurance 1000 program (five x 400 m, five x 800 m, and one each of 1500m, half hour, three quarter hour and one hour) in any one of the three major strokes, freestyle, backstroke or breaststroke. A Two Star Endurance Award is given for completing the 14 swims in two strokes and a Three Star Endurance Award for completion in three strokes. From 2007, Four and Five Star Awards are available for swimmers who also complete the endurance Individual Medley and Butterfly swims. Speed is not a factor and there is no element of competition. Star Awards are presented at the Annual General Meeting and swimmers' names appear in the Club newsletter.

The Club Endurance Swim Award encourages members to participate in the national Endurance 1000 program. It is presented annually at the AGM to the swimmers who have gained the most points, given for each distance swim completed regardless of the time taken. Between the years of 1995 and 2014 two Aerobic Swim Awards were presented annually: one to the highest scoring day swimmer and one to the highest scoring night swimmer. No award was presented in 2015 and in 2016 a decision was taken to present one award annually in future, known as the Club Endurance Swim Award.

The award was discontinued in 2017.

Million Metre Badges

The Vorgee Million Metre Awards are national awards for completion of 1, 2, 3, 4 (introduced in 2016), 5, 7 and 10 million metres. The member logs on a record sheet (available from Masters Swimming WA) the distance achieved at each swim (training, endurance or competition). All distances swum are cumulative. There are no requirements of style or speed and it is the member's own responsibility to record the distance swum.
